

Fee Schedule

When serving as trustee, agent under a power of attorney, guardian/conservator or personal representative, Ponderosa is providing you and your beneficiaries with personalized asset management and fiduciary services.

Trust Services

Ponderosa fees are determined based on the size and complexity of the trust and its administration. Our fees are based upon a combination of the percentage of the market value of the trust and hourly billing, with all matters having a base annual fee. Normal and customary trustee services include:

- Bill paying and asset management for individuals
- Work with Financial Advisor and oversee investment accounts
- Principal and income distributions
- Opening and closing accounts and marshalling assets
- Compiling tax information
- Account reviews

Unless otherwise noted in the governing document or by applicable law, all fees are charged quarterly. Fees for outside professionals and court fees, including the court bond fee, will be charged as an expense to the trust.
